

| Summ              | nary information:   |  |
|-------------------|---|--|
| Detail<br>'This f | ocument sets out Chellaston Academy's plan for the COVID-19 Catch Up Premium.<br>s regarding the COVID Catch Up Premium can be found here: https://www.gov.uk/guid<br>unding will be provided in 3 tranches. We have now made the first payments. Full detai<br>tch-up premium: provisional allocations. Allocations are based on the latest available da | Is of the allocations and conditions of grant can be found at Coronavirus (COVID-  |
| specia            | l, AP, hospital schools and special schools not maintained by a local authority.'   |  |
| -                 | cted overall allocation for Chellaston Academy: £114,040  |  |
| Initial           | tranche: £28,510  |  |
| Areas             | of focus:   |  |
| А                 | Ensure that all students' learning and progress recovers in line with the curriculum a  | nd their flight path   |
| В                 | Ensure that students identified as requiring targeted input make expected progress  |  |
| С                 | Ensure that students have positive wellbeing and the skills needed to promote positi  | ive independence and self care   |
| How t             | hese areas of focus will be broken down and how they will be measured:  | 1  |
|                   | Desired Outcomes  | Success Criteria   |
| A                 | Students recover threshold concepts and key curriculum learning to support progress   | <ul> <li>Improving profile of academic achievement by students indicated through assessment point comparison (i.e. initial versus end of year)</li> <li>Students achieve in line with the national curriculum age/stage performance criteria for their ability</li> </ul>  |
| В                 | The school implements an identification and tiered intervention approach to target students who are not achieving in line with expectation. Departments use a   |  |
|                   | combination of quantitative and qualitative data to determine which students require immediate and subsequent catch up.   | <ul> <li>Tiered intervention sessions using diagnosis, therapy and testing model implemented (and quality assured?)</li> <li>Student PLCs, raw scores and/or PPE performance indicate improvement in performance</li> </ul>  |
| С                 | Students are to receive a support timetable, offering a holistic approach to the promotion of positive wellbeing. Students will become exposed to strategies to support and guide them through stress and anxiety in order to promote a positive mindset.   | <ul> <li>Students display a positive mindset, measured by the following: a rise in attendance, gains in attainment data, student voice feedback</li> <li>Students will feel supported in all aspect of their school life</li> <li>Students will possess self help strategies that they can use for life to promote positive self esteem and self care</li> </ul> |
