- Thank you for the effort you've all put in to provide it at such a trying time of year. I never thought my Xbox obsessed child would be so happy.
- Medical issue was handled well.
- Great week by Chellaston Academy. My daughter has LOVED it. The organisation has been first rate, the activities stimulating and enjoyable, all staff and student helpers have been a real asset; we couldn't have wished for more as an introduction for ***** to Chellaston. Thankyou
- My daughter suffers with anxiety and worry and I have see a complete change in her this week. She has shown such confidence in all aspects from making new friends to walking to school without an adult. Absolutely brilliant week all round thank you all for your hard work.
- Huge thank you to all involved. My son has loved each and every activity and found all adults and child helpers very kind and helpful. He is feeling sad that today is his last day but is now looking forward to joining you in September.

Just, thank you! What a fabulous way to get to know a new school. ***has come home buzzing every day talking about the activities he has experienced. On Monday he said he was feeling so nervous but by Tuesday he was already saying he wasn't nervous anymore. Please let every member of staff involved with the organisation and delivery of the week know that it is really appreciated.

Thank you very much for the opportunity. My son especially enjoyed the trip and has made new friends, which would hopefully make him less worried about starting in September. Thank you.

Thank you to all involved in planning and executing this incredible week. My daughter has enjoyed everything and is absolutely buzzing about being a year 7 at Chellaston Academy. She can't wait for September!

Absolutely brilliant. Incredibly well organised and has really put us all at ease. Thank you for all the staff for giving up their time and thank you to the academy for the money spent.
