

1st July 2022

Dear Parent/Carer

End of term arrangements

As the end of term is approaching, I would like to confirm what the plans are for the last day of term at Chellaston Academy.

Friday 22nd July 2022 is a calendared inset day, due to this, the last day of term for students will be **Thursday 21st July 2022** and I can confirm that the school day will end at 12pm. Provisions have been made that the school buses will run at this time so those students who travel by bus will be able to get home.

As this time is before our usual lunch time slot, all students will be given an extended break time where they will still be able to purchase refreshments from our school cafeterias.

As a reminder, following on from the latest Ofsted report we have opened an online platform. If members of the school community have any questions the link to this is <https://chellaston.fireflycloud.net/surveys-4/post-ofsted-questions> The closing date for questions on this platform will be 9am on Tuesday 5th July 2022.

If you have any further questions or queries, please don't hesitate to contact the school.

Yours sincerely

Phil Smith
Proud Executive Headteacher
