OFSTED REPORT 12th and 13th of September 2023

We are delighted to announce that Ofsted inspected Chellaston Academy on the 12th and 13th of September 2023, and regraded the school as 'Good' in all areas. We are so proud of our wonderful students and staff, and want to thank them all for their dedication, passion, belief and for living our academy values of Integrity, Care, and Excellence.

The rapid turnaround at Chellaston Academy has been influenced by many factors including our curriculum which is 'broad and ambitious'; quality teaching and 'high academic expectations' which includes 'strong subject knowledge' and 'skilled staff identifying and meeting pupils learning needs'; and a focus on providing a 'calm and orderly' atmosphere across the academy.

Some of the other reasons include our whole academy focus on unconditional positive regard, our 'Inclusion Graduated Response' which includes elements of Trauma Informed Learning strategies, 'effective safeguarding' and strong leadership at all levels across the academy.

Chellaston Academy has been through some challenging times in the past few years, and we are delighted that the care, love, expertise, dedication, and professionalism of our staff has been recognised. Please find time to read the attached report which celebrates just a few of the wonderful elements of Chellaston Academy.
