Dear Members of the Chellaston Community,

What a fantastic week it has been! Although the weather has cooled down this week, we are delighted to say that the learning climate in school has remained red hot.

The quality of learning and atmosphere has remained at a high standard throughout the week and it has also been lovely to hear our singing interventions/choirs refilling the corridors. In addition, we want to say well done to our pianists who showcase their skills for students before our assemblies start in the morning.

Ofsted

We were delighted to welcome Ofsted back into Chellaston Academy this week. Inspectors had the opportunity to visit a large number of lessons and feel the school culture. The report is being written as we speak and we will share this as soon as we can. I would like to thank all members of the community who completed the Ofsted survey, your voice is an important part of the process.

Refurbishment Update

The refurbishment is making significant progress and we cannot wait to welcome into the school so you can see the developments. We have been delighted to open our new reception and two new textiles rooms. Therefore, from now on reception has relocated to its original position. In the next few weeks we hope to open three new food technology rooms and a new multi purpose space. Exciting times.

Chellaston Academy Reception today!

School Photographs

Tempest Photography have had two exceptionally busy days with us updating the photos of all our students. The images will appear on our lanyard cards which will be used more extensively in school in the future. School Photo packages will be available to order for those who wish to purchase copies of the latest photo

Dates for your Diary

28th September - Year 5 & 6 Open Evening
12th October - Meet the tutor evening - all year groups (online)
19th October - Sixth Form Open Evening - details to follow

Kind regards
Phil Smith
