STUDENT EXAMINATIONS GUIDE 2023/24

<u>Purpose</u>

The aim of this guide is to help you get through the examination period by explaining the procedures and by answering some of the questions you may have. Take the time to read it carefully and if you are not sure, please speak to your form tutor, your subject teacher, or the Exams Officer.

Examinations are organised by Mrs Scattergood, the Exams Officer. She is situated in the Exams & Data Office on the ground floor of A block.

You can contact her by:

- Calling in to speak to her.
- Telephoning her on the Academy number: 01332 702502
- Emailing her: a.scattergood@chellaston.derby.sch.uk

Before the exam period

Exam Timetables

This document is important and should be kept safely for reference purpose.

Timetables are issued to students well in advance of the exams. All students MUST refer to their own individual timetable for their information i.e., dates and timings. Please read your examination timetable very carefully to make sure you know when and where your exams take place.

PLEASE CHECK YOUR EXAM TIMETABLE CAREFULLY. If you are unsure about anything on there, please speak to Mrs Scattergood as soon as possible. If in doubt, please check!

Your timetable is unique to YOU. Do not ask your friends where the exam is as they will have a different seat number and may be in a different venue. Your venue and seat details are shown on your exam timetable.

Put the timetable safe, somewhere you can find it easily (the fridge door is a great place)! We suggest that you take a picture of it on your phone.

It is **YOUR** responsibility to know when and where your exams are.

During the exam period

Rooming

GCSE exams will be mainly sat in the Sports Hall, you will have your seat information sent to you on your Individual Seating timetable. There are other rooms used and if this affects you, you will be told in advance. And it will show on your timetable.

Your timetable will let you know all the details, please read it.

Seat Numbers, Seating Plans and Registers

Before entering the exam room, YOU MUST know where you are to sit. Remind yourself by checking the seating plans displayed outside the exam room.

Equipment, candidate numbers and uniform

You must wear your correct school uniform when attending exams and wear your lanyard with your ID card attached. Your ID card has your candidate number printed on it. You will need this for every exam.

Make sure you have the necessary equipment with you for each exam.

BLACK pens, pencils, erasers, rulers, and any other equipment specific to the exam. This needs to be brought into the exam in a CLEAR pencil case or CLEAR plastic bag/wallet.

Calculators should only be bought into an exam where a calculator is required. The back of the calculator is not allowed in the exam room. This should be removed and left in your bag.

We are not allowed to share any equipment between students, so if you do not bring an item, you will be without it.

HIGHLIGHTER pens can be used ONLY ON QUESTIONS in the paper. DO NOT HIGHLIGHT YOUR ANSWER.

Answers are mostly scanned, and highlighted answers are difficult to read, you could have answers missed off and lose marks!

After the exam period

The 2024 A Level results are available on Thursday 15th August.

GCSE results are available on Thursday 22nd August.

Details of the times for collection of results will be sent out in an email.

If you cannot collect your results on results day, you have 3 options:

- 1) We can email them to you at some point during the day. Please note that we cannot confirm what time they will be emailed.
- 2) They can be posted out to you on the results day.
- 3) Someone can collect them on your behalf if they bring in a signed note from the student and have photo ID.

If choosing any of the three options, you must have informed Mrs Scattergood by Friday 28th June.

Exam Conditions

QUIET PLEASE

Please wait outside the exam room in a calm manner, line up sensibly waiting further instructions from staff.

Once you have entered the exam room, you are under exam conditions and MUST REMAIN SILENT until you leave the exam room at the end of the exam. You must not communicate with any other student.

If you speak to another student or cause any disruption, you will be removed from the exam room, and we have to contact the exam board. This can have very serious consequences.

Mobile Phones, Watches, Electronic equipment, valuables and bags

You will need to take all your equipment out of your bag ready to take into the exam. Your mobile phone should be TURNED OFF and left inside your bag along with your watch, headphones, and any other electronic devices you may have. If you have anything in your pockets, this will also need to be removed and left in your bag. Your bag will need to be placed neatly on the rack allocated for the row you will be sitting on.

PLEASE CONSIDER LEAVING YOUR VALUABLES AT HOME. Bags will be left away from your exam desk, so make sure you have all your equipment with you.

The Exams

Check you have the right exam paper in front of you. You will be told how to complete the front details on the examination paper or the answer booklet. Listen carefully to the instructions and make sure you know how long you have to complete the exam.

Do not open your paper or start writing anything until the invigilator tells you to fill in all the details required on the front of the question paper and/ or the answer booklet before you start the exam.

On every exam paper you must write;

- Name
- Candidate number
- Centre Number
- Only write in BLACK ink.

In some exams you can use a calculator. Make sure it works properly, check that the batteries are working properly and make sure it has been reset.

Always listen to the invigilator. Always follow their instructions.

You **cannot** ask an invigilator any questions relating to the content of the exam, but if you think there is a problem, put your hand up and the invigilator will come over to you.

At the end of the exam, if you have used more than one answer booklet and/or any supplementary answer sheets, place them in the correct order. Place any loose additional answer sheets inside your answer booklet. Make sure you add your candidate details to any additional answer sheets that you use.

Do not leave the exam room until told to do so by the invigilator.
