Remote Learning - NEU Industrial Action Tuesday 9th, Wednesday 10th and Thursday 11th July 2024

Dear Parents and Carers,

I wrote to you on the 28th of June sharing my disappointment that there will be industrial action on Tuesday the 9th to Thursday the 11th of July 2024.

I am sorry that you will have to make alternative arrangements for your child and that they will experience disruption to their education, but please find the information for what our curriculum plans will be on those days.

Our provision for the Tuesday the 9th of July, Wednesday 10th of July and Thursday the 11th of July is as follows:

Year 7	Closed	Online Curriculum – See plans below
Year 8	Closed	Online Curriculum – See plans below
Year 9	Closed	Online Curriculum – See plans below
Year 10	Closed	Online Curriculum – See plans below
Year 12	Closed	Personalised Revision Curriculum unless students are on work experience

Although the school site is closed to years 7, 8, 9, 10 and 12, we are still passionate about your child's education, and we will be providing a full day of online curriculum which starts at 9.00am. If there are any students who do not have a device at home, can you please contact your Head of Year or Deputy Head of Year. Contact details are below.

Each morning, we will email all students from Year 7 – 10 their curriculum plan for the day and make it available on firefly too. We have tried to match the current curriculum for all year groups to ensure we provide the continuation of curriculum structure and learning. We have provided five lessons for each year group to match our current curriculum offer with hyperlinks for each lesson. As an example, here is a screen shot of Tuesday's curriculum.
