Proud Headteacher: Mr P Smith

Dear members of the Chellaston Academy community,

RE: Meet the coach day - 16<sup>th</sup> of October 2025

In the inaugural year of our Chellaston coaching circles, we are also running our first 'meet the coach' day. The philosophy of establishing our coaching circles is to build better communities and to further improve the pastoral care and support for your child. The 'meet the coach' day is an important part of this process.

During the day students, with their parent/s will have the opportunity of a 20-minute appointment with their coach. Preferably, this will be face to face but there will also be the opportunity for a virtual meeting if this supports you further in being able to attend.

The purpose of the meet the coach day is:

- For parents to meet their child's coach and to strengthen the relationship between school, home and the young person.
- For coaches to further get to know the young people in their coaching circles. We believe that this 'check in' approach with parents will be beneficial.
- For students and parents to discuss aspirations and how we can support career conversations and opportunities to develop skills in areas of interest.
- To discuss how your child has settled and how we can support their development further.
- To reflect upon last term's report if appropriate
- To answer any questions about school life

During the time when your child is not at their appointment, we will be setting remote learning for all students to complete.

Further details of how students can access the remote learning elements of the day and how parents can book an appointment with their coach will be shared closer to the time.

We are excited to invite you into our Academy and to give time and space to building a partnership with home.

Yours sincerely

Phil Smith  
Headteacher  
Chellaston Academy
