

Kit expectations

I am mindful of the cost and accessibility of items when designing the PE kit expectations. I have worked with pupils on providing options that meet a variety of individual needs. Uniformity stocks the current Chellaston Academy items and Liss Sports offer new sports branded options at the same or similar price. You can find links to their pages below.

*A Chellaston Academy embroidered top (short sleeve OR long) is the **only** item a pupil must have from one of our shops. Other items may be found cheaper elsewhere but they must be 'plain black'. One small logo somewhere on the garment is fine. The table below should be clear but if you have any questions please email:*

T.Howard@chellaston.derby.sch.uk

*If your child is excused from practical PE, please write a formal note and **ensure your child still has their kit**. We will decide if they change into all or some of the kit depending on a range of factors. All jewellery must be removed or taped quickly in the changing room, long hair must be tied back, and all religious headwear tucked in to reduce the risk of injury.*

Indoor / Courts / Field / Summer	Field / Winter
Sports trainers (not what they wear to school)	Studded boots (any form)
Sport socks (trainer, invisible, sport)	Black long football socks
Plain black sport shorts / skort / cycling short	
Chellaston Academy branded t-shirt / top	
Optional - Plain black sports leggings	
Optional - Plain black sports tracksuit bottoms	
Optional – Plain black base layer garments worn under PE kit
